College 101 Event: Wednesday, April 18

Are you and your daughter beginning to think about life after Saint Joseph Academy? Although it may seem a long way off, College Counselors would like to help you begin thinking about post-secondary options. Parents and students are invited to "College 101," an introduction to planning for college years on Wednesday, April 18, 7-8 p.m. in the Auditorium.

No RSVP required. Questions can be sent to College Counseling Department Chair Ms. Susan Emmerich.

Student Wellness Survey is April 24

A key component of Catholic education is the development of the whole student. Our Wellness Curriculum is designed to keep our students strong in body, mind and spirit. To help identify the needs and measure the progress of our efforts, we have scheduled the Wellness Survey for all students on Tuesday, April 24.

The survey is comprised of 100 multiple-choice questions and is based on the Independent School Health Check (ISHC). Please be assured that the survey responses are all confidential and anonymous. Click here to read the letter sent to parents and guardians.

We hope that all parents or guardians will choose to allow their daughters to participate. However, parents or guardians may choose to opt out. If you do not want your daughter to participate in the survey, please notify School Counselor Ms. Maryann Marek by Friday, April 20.
