81 Saint Joseph Academy Students Receive AP® Scholar Awards

CLEVELAND, OH – Once again, Saint Joseph Academy is celebrating its students’ academic accomplishments with the announcement that a record-breaking 81 young women received Advanced Placement (AP®) Scholar Awards. 13 young women also received the top award: AP® Scholar with Distinction, having averaged 3.5 or higher on five or more AP® exams. Each fall, the nationally run AP® program presents AP® Scholar Awards, recognizing those students who have performed exceptionally well on three or more AP® exams the previous school year. AP® classes include college-level coursework and testing that follows specific and rigorous standards, established by national not-for-profit organization College Board. Completed coursework also qualifies students for college credit through many universities. Saint Joseph Academy currently offers 19 AP® courses, including AP® Biology, AP® Government/Politics, AP® Studio Art and AP® Psychology, among others. “We are so proud of these young women and what they have accomplished,” shared Saint Joseph Academy President Mary Ann Corrigan-Davis ’71. “The number of students who earned awards speaks to the continued emphasis our school places on academic achievement as well as individual excellence.”

The following Saint Joseph Academy 2019 AP Scholar Awards were based on testing during the 2018-2019 academic year. The list includes 28 current Saint Joseph Academy seniors and 53 students who graduated in May:
