**Student Spotlight**

**Name:** Christina Logvynyuk '21

**Accomplishments:** Christina Logvynyuk '21 plays the lead role of Catherine Donohue in the fall play These Shining Lives.

"This story describes the strength and grace of women who suffered at the hands of unfair employers. I was intrigued because my character, Catherine, was only two years older than I am when she started her career journey. My favorite part of participating in theater is that I get to explore so many different emotions on a stage. I have the opportunity to create a character totally different than in my real life while still implementing parts of myself. I get the chance to leave an imprint on the minds of the audience through a new character," said Christina.

**Save the Date for the Fall Play, These Shining Lives**

*These Shining Lives* revolves around the real-life circumstances of women in the 1920s who worked in a watch factory painting watch faces with glowing radium-rich paint. When Catherine Donohue and her three co-workers/friends begin to fall ill, and they discover the source of their sickness is the radioactive paint, they decide to seek retribution in the form of a class-action lawsuit against their employer, Radium Dial Company. Though the women are doomed to die, their struggle to fix what is broken demonstrates the power of the female spirit despite the curbing of women's newly won social freedoms during the Great Depression. The real-life "Radium Girls" took their company to court and achieved a long-lasting victory over corporations with poor workplace conditions and workers compensation that is still in effect today.

Show dates are **Friday, November 15** and **Saturday, November 16**, 7:30 p.m., and **Sunday, November 17**, 2:30 p.m. General Admission is $10, and $5 for students and seniors. Click [here](#) for the cast and crew list.

Last week, the Jaguars captured the D1 Regional championship in Boardman as they came in first out of 24 teams.

Volleyball Ends Season in Regional Semifinal

The volleyball season came to an end on Thursday, October 31 as the Jaguars fell 3-1 (20-25, 28-30, 25-19, 17-25) to Toledo St. Ursula in the Regional semifinal at Norwalk High School.

The Jaguars lost the first set 25-20 and then had multiple chances to take set two before ultimately dropping the second set 30-28. The team rallied back though and took the third set 25-19 to force a fourth set. In the fourth set, the Arrows, ranked #4 in the state in DI, jumped out to an early lead that was too much for the Academy to make a comeback.

The loss marked the final match for Seniors Izzy Micheli, Lauren Gardner, Alexis Dennis, Megan Harrison and Jenn Follmer. In their four years at the Academy, that senior class made an appearance in the State championship game, two Final Fours and three trips to Regionals. Thanks to the volleyball community on a great season!
