This year’s “Celebrate the Academy” gala on **Saturday, February 22**, recognizes the achievements of our very own President Mrs. **Mary Ann Corrigan-Davis ’71** who is retiring in June. As the first President of Saint Joseph Academy, Mrs. Corrigan-Davis has transformed Saint Joseph Academy into a more inclusive and impactful educational institution. Her endeavors are embedded in acclaimed initiatives, dynamic curriculum and a deepening of the charism of the Congregation of St. Joseph. Spotlight: Chinese Club

Accomplishments: This weekend marks the celebration of the Chinese New Year and to commemorate this long-standing tradition, the Chinese Club held a celebration today. The Chinese Club provides students taking Chinese and interested in Chinese culture interactive ways to learn more about China. The club hosts events such as the annual
Chinese New Year celebration, tea parties, calligraphy lessons, viewing Chinese documentaries, field trips to the Cleveland Museum of Art, Chinese restaurants and more.

"The Chinese Club is important because it generates appreciation and awareness for Chinese culture (and other Asian cultures as well). In Chinese Club, we learn about important aspects of Chinese food, society and values while providing students with the opportunity to learn with their friends in a fun environment," shared treasurer Anne McSwain ’21.

**Get Involved:** Students can get involved by simply emailing Chinese teacher and club moderator Mrs. Hsiao about joining the club or reach out to any of the club leadership team. There is a $5 fee that covers food and supplies at club meetings for the whole year. All students are welcome to join in on the fun!
