The St. Edward Marching Eagles are a corps style outdoor performing ensemble who perform in parades, Ohio Music Education Association and Bands of America competitions, and at SEHS football games throughout the region. In recent years, the Marching Eagles have demonstrated excellence through consistent superior ratings at competition, including 7 consecutive O.M.E.A. State Finals appearances.

Students may perform on wind or percussion instruments or as a member of the colorguard. If you play any instrument or have an interest in dance, we want you as a member of our ensemble! Percussion and colorguard students should attend tryouts prior to the marching band meeting on Thursday, June 18th at 6:00 P.M. in the St. Edward High School cafeteria. The season officially kicks off at this meeting, rehearsals begin the following week. Our full calendar can be found at www.sehs.net/pacalendar.

All Saint Joseph Academy high school students who play wind and percussion instruments or who are interested in dance (colorguard) are welcome to participate as members of the SEHS Marching Eagles.
